- edTPA has been approved
  - Cut scores for edTPA: 13 scoring rubric 37, 13 world languages rubric 32, 18 scoring rubrics 44
  - edTPA not implemented until July 1 so students cannot use this as the APK score if applying prior to July 1.
- Thanked Jim for his work as OAPCTE President!
- SPA or Not SPA committee:
  - Shared the committee members – Thank you for your service.
  - Revamping program review process.
  - Biggest concern the SPAs have not been working in the best interest of EPPs.
  - CCGS –working with them as an advisory group for both Public and Privates. CCEPP and then faculty panels who would review SPA content. Krista shared the possible process of how this group would work.

- Group working on the process for limited and full state review process as well. 2500 programs to review that have to be reviewed every 7 years.
    - Once the proposal is ready they want consensus before it moves forward.
  - Spring program reviews are on hold until the new process is in place. The fall reviews will probably be deferred as well until the new process is in place and there is a hiring freeze to hire people to review.
  - Krista wants the input about the program review process individual and dual programs.
  - Those submitting October program reviews should wait.

### **Fall Clinical Placements**

**Elizabeth Napier**

- Jim reached out to superintendents about placements – All plan to have their doors open in the fall but it depends on what is going on with COVID.
- Elizabeth Napier will post an article from the governor about field and student teachers being visitors. <https://radio.wosu.org/post/coronavirus-ohio-dewine-expects-students-back-classrooms-fall#stream/0>
- Wendy Adams reached out to partners about working with teachers virtually if schools do not open up. The schools were open to the idea and the use of virtual field would count as field requirements and would provide students with experience and also provide a service to the schools.
- Krista Maxson believes virtual field would be acceptable and will check on this at the state.

Other?

It has truly been an honor to serve as president of OAPCTE for the past two years. Working on so many issues at the statehouse jointly with SUED, and now working through the COVID-19 crisis was certainly like nothing I ever imagined as I took over as president. I appreciate everything each of you do for your institution and for the students of Ohio. Thank you also for your support during the past two years.

Julie McIntosh takes over as the president of OAPCTE effective July 1. Her email address is mcintosh@findlay.edu
